Subject: Rolling Knolls Fall 2014 Data Gaps SAP and QAPP

Hello All,

ARCADIS and the PRP Group would like to discuss EPA's comments on the Fall 2014 SAP and QAPP. However, Specific Comments 2, 10, 20, and Table1 are the major concerns. Please review all comments and be prepared to discuss the aforementioned comments during the call.

Please let me know as soon as possible if you are not available for the call.

Conference line: 866 299-3188
